## **Perfusion Observation Form**

Competitive applicants should submit observations from at least two clinical cases under the direction of a certified clinical perfusionist for acceptance consideration into the program. If applicants cannot schedule case viewings locally, these could possibly be done at our facilities if the applicant is invited for an interview and case viewings are available.

| Location (hospital name)                               |  |
|--|--|
| Perfusionist name                                      |  |
| Type of case observed:                                 |  |
|  |  |
|  |  |
|  |  |
|  |  |
| Comments from the applicant about the case (optional): |  |
|  |  |
|  |  |
|  |  |
